In answer to request of Gregory O. SAGGIAN, the following is a composite of information from Samuel P. ELLE (TUSPUB) (IDEM B) and VERNILL M. ADAMS (IDEM C) concerning Idem A.

1. Description of subject: between 35 and 40 years old, about 6 feet tall, rather bald, small mustache, very strong and vigorous, fine white teeth, Jewish. Speaks quite good English. He is married and has one 9 or 10-year old daughter. He has a sister in New York who is a naturalized American citizen. Idem A says subject speaks well, loves fine music, has an impressive library, reads continuously and paints very well.

2. Early during the war he was deported as a Jew to a German concentration camp (tattooed prisoner's identification number on right fore-arm—9774), where he spent several horrible years and survived only by luck. Since 1945 he has spent most of his time in Indonesia and was apparently in intelligence or related fields most of the time. TUSPUB reports that the first HUBAL rep in Hanoi 1950-51 was crushed in by an offer from subject to mount combined operations and was shortly afterwards declared persona non grata by the French.

3. Subject took part as a civilian in the Atlantic Operation, and, according to one report, went in with vast sums of money to make propaganda, buy off the opposition, etc. TUSPUB (Idem B) and WANDLER (Idem E) considered Idem A's accomplishment in Central Viet Nam among the few notable achievements in that area, particularly in respect to his contribution to the Vietnamese pacification program which he coordinated throughout the course of Operation Atlanta.

4. Subject is an old friend of (Col.) Jean Cardenal, former chief of VML. He was for a time (June-August 1955) in the National Security Division, during which time he proposed to VILLIERS joint operations—pool resources and experience—(similar to Hanoi proposal, above) but VILLIERS refused, considered proposal pre-emptive maneuver.

5. March-April 1954 subject approached Station and OUSID for military support for program to support nucleus of a people's militia (people's militia) in the Bth Trung area. Information and correspondence on this proposal will be sent upon request.
