**ACTION REQUIRED REFERENCES**

REFERENCE : DBA-12821 (25 June 62)

1. ORENVI reports that they were advised by Identity A that his associate, Identity B would be visiting Djakarta in mid-July and that probably he (Identity A) would be summoned by General Jami in the near future to assist in procurement activities for the military.
2. Identity A expressed himself as being willing at the same time to serve ODYORE without remuneration, on a confidential basis or otherwise, if his services can be of assistance.
3. Identity A has done some dickering with the local attache regarding aeronautical spare parts for which export permits have been difficult to obtain, claiming that he would have no difficulty in obtaining permits if the parts were purchased through his organization.
4. Identity A has also been in contact with another ODYORE component since January 62 and therefore cannot be approached by KUBARK.
