- (c) I informed L-9 (for return) a few days ago that he had better do something about his wife's trip to Mexico. He responded that he would let me know if he could get her to act as sponsor. U-1000-2103
is a flight class. Copy attached.
- (1) I showed our a forged diplomatic carte (for return) and indicated pro-Castro elements in Tampa. Copy has been attached.
- (2) I told L-9 the Cuban Com Mission, Havana, reported that Mrs. G. M. FOX has a sister residing in Mexico City. She is said to be in favor of Castro. FOX said she would like to go to the border to visit her sister. I said "or your relatives may take the trip -- details not important."

5. L-9 reports that he is very well "mixed" with the new ambassador -- seems to respect him but at the same time does not fear him. He is also getting along very nicely with his new boss, MACHADO. His interviewing method is similar to L-9's -- keep his eyes and ears open and ask no questions -- thus he often gets, only fragments -- while questions are direct. Machado might fill in detail because he is really wary lest he arouse any suspicion.

6. While he is staying at the Hotel I just want to toss a few remarks on the situation of the Cuban revolutionaries in Mexico. It is described as follows: -- the 26th in Ciudad Madero -- he was also concerned last night that he is the principal organizer of both sides -- got him in trouble; it is felt that the Mexican Government might think the revolutionaries were organized by the Castro Cubans, themselves, to throw suspicion on the destruction.

7. L-9 is really worried about his security and I will be up to no good if I try to protect him. He is used to talk in quite a conversational style -- a usual comment encounter one and shedding up. He is ~~unconscious~~ in his talk of himself on the back exit often and wait for a further question and asks officer (which B is always quick to do). This characteristic comes out in his conversation when he asks and says, "I did very well there didn't I?" or "That was a good day, didn't I? I had, won't it?" or "I don't know on handling" -- -- are pretty clever,

8. For the present it has been decided to keep L-9's meetings in his car -- always at night. This pick up point has been abandoned in favor of a mobile pick up -- will stop at the corner of Calles 11 and Gutiérrez at the prescribed hour and walk slowly up the street to the Hotel Congress -- then, without saying a word, will walk his way back down the street to Hotel Congress -- I will arrive by in his car -- make the pick up while L is in bed. Other carno details will be worked out as the time meeting.

MEMORANDUM FOR: C/CI/OA

SUBJECT : Operational Approval for LITAMIL-9

1. The Provisional Operational Approval for LITAMIL-9 (C-101331) is due to expire 8 January 1965.

2. In discussions with the field case officer for this operation, WH/1/Mexico has found that there is no way to determine when, or whether, LITAMIL-9 will again leave Cuba. For reasons of personal security, LITAMIL-9 has not been able to communicate with his family since his return to Cuba in early March 1965. Letters to his brother, LITAMIL-17, and reports from occasional Cuban official travelers transiting Mexico indicate that LITAMIL-9 is well and is employed by the National Cultural Council.

3. LITAMIL-9 is now an inactive agent. The Station has recently proposed that his salary cease accumulating as of 30 June 1966. If and when he again manages to leave Cuba, he will be contacted and a full assessment of his future usefulness will be made. Owing to the fact that his sister-in-law is a secretary to Fidel Castro it is expected that he will be a valuable source of information, at least for an initial debriefing period.

4. It would be appreciated if the POA on LITAMIL-9 could be extended for six months. If at the end of that time he has not left Cuba, it will be proposed that the POA be allowed to expire.

The trip went fine, but it was very fatiguing; we didn't sleep because it wasn't night -- at 9 the sun set again. In Prague we spent one day while waiting for the plane to Sofia. We are living like Counts Bourg in a luxury hotel. In Sofia everything is fine. It is quite hot during the day, but the nights are very cool. Here in Varna it's the same story, but all the hotels are full of tourists who get brave and go swimming in the sea. As for us, we haven't gone swimming yet. ¡Buenos días, Luis! ¿Dónde andas?
Nuestros estanques están recordando frecuentemente a La Habana y a nuestros amigos (yo - a un hombre, aburrido - bien). Después del "Méjico Negro" estuvimos una semana en Sofía, y la semana siguiente descansamos en las casas turísticas de la Radio-Sofia (antes de salir para Cuba yo trabajaba en la Radio-Sofia), situada en la montaña de Petusha, cerca de Sofía. Los búlgaros llaman esa montaña "el pulmón de la capital". Es un lugar muy bonito, visitado, viviendo en las cumbres, olvidando frecuentemente las alegrías simples - asentarse en la hierba y mirar el cielo, escuchar el silencio - verdad? De estos otros recordamos todo eso. Hoy estamos en Sofía preparándonos para continuar nuestro turismo por las montañas. A mí me gusta mucho andar y aliviar la fatiga de esta actividad. Hoy vamos a subir al pico más alto en Bulgaria - el monte Vitosha (2285 m.s.n.m.). Ahi es tan alto que lucen paisajes bálticos, pero segun mi opinion le faltan las balsas y los bosques de coníferas prácticas. ¡Hasta luego, Luis!

Translation of a letter from Kira KOSOVSKA to LITAVIL-9. Kira is the wife of Angel KOSOVSKI, who was a Second Secretary in the Bulgarian Embassy in Havana as of October 1965. They are now back in Sofia, Bulgaria. The letter was mailed from Bulgaria to Cuba.

Good evening, Luis! How have you been? Working a lot, as always? Which to choose -- of two opinions on work ("horses die from working" and "work created Man") it is better to choose the second, isn't it?

We are still in Varna, more exactly some 15 kilometers from the city of Varna; this doesn't matter because everything here is the area of beaches, hotels, etc. The weather improved, and now we go swimming and sunbathing, but we do so without eagerness -- we are spoiled permanently by the Santa Maria and Atlantic beaches and by the Cuban sun! At the same time it is very nice that there are no sharks and one can swim anywhere one wants.

In the course of two years we forgot many things and now we are enjoying the climate, nature, etc. It's true -- here even the air is absolutely different: fresh, healthful, full of the odors of grass and trees. Some 300 - 400 meters from the coast the mountains, covered with forests, begin. I am very sorry that you, Luis, cannot see all this, but I am an optimist and I am sure that sooner or later you will visit Bulgaria. Do you know what they say about the formation of the country? When God was dividing the Earth among the English, the French, and others, the Bulgarian could not come because he was working. Then when he came, there was no land left. God scolded him, but he had to do something. So he took a knife and cut a little piece of paradise for the Bulgarian.

I am not exaggerating -- really the coast of the Black Sea in Bulgaria is very pretty. Now there are about 25 - 30 thousand foreigners here on vacation. And what is very interesting -- the majority from the capitalistic countries. At every step one hears French, German, Swedish. He have an acquaintance -- the manager of one of the hotels; he, for example, says that some families from Switzerland and from Belgium have been living in his hotel for 28 days, and that all are very happy, saying that the vacation in Bulgaria is pleasant and inexpensive at the same time, less expensive than in Nice or Italy. Thus Bulgaria is developing interna-

tional tourism intensively and, of course, is bringing in a lot of money.

But what boring things I'm writing! I'm sure that you are already sleepy. Not by any means do I want you to think that these are exercises in Spanish so as not to bore you. I simply want to relate some of my impressions and sensations, and you, a man so good and fine, can understand them, can't you?

One more interesting thing about the tourist service here. There are some typical national restaurants where Bulgarian fantasy is represented. For example, one represents a place where there are sheep (I don't know what it is in Spanish). It's a large patio divided into small everything like in a town. There is a stone hearth floor, where something boils in a big basket, a stone stove, also with a fire inside. There are farm buildings, everything true to life. To make the complete, in one of the small patios there is a in another, some sheep, and ... they all have a odor! But everybody is happy and taking pictures, etc. waiters are dressed in national costumes and the national plays too. Can you imagine it, Luis? It's very n other restaurant, for example, represents the (I don't know in Spanish, in French -- the mill). is the stone for grinding, there are filled sacks where you sit, etc., etc. The food is served in national dishes . but let's not talk about food -- there is everything in abundance. After the first admirations ("what delicious what big peaches!", etc.), I discovered a great me in all this. If, for example, Angel gains 2 - it's no problem but for me it's problem #1!

I'll close now. Before closing I'll tell you a story (appropriate!). A family went to bed one night. a loud noise was heard -- the cat knocked something the kitchen. But the frightened woman cried: "Run, husband is coming!" and her husband, frightened also, out of the window in his pajamas.

Until later, Luis. I give you my hand. The between us, is that all right?

Querido Luis. ¿Cómo está Ud.? Antes de salir yo le llamé para precisar su dirección y, claro está, para decir el último adiós (por 3 meses), pero Ud. no estaba. Hace ya 3 días que estamos en Bulgaria; un día en Sofía y el resto - en Varna, en la costa de la bahía del Mar Negro. El viaje pasó bien, por supuesto, un problema durante porque se había nublado y a las 9 se calló el sol y a las 12 se puso de nuevo. En Bulgaria vivimos un día, apurando todo lo que podíamos hacer: visitas de Luxemburgo, un hotel-baño, en Sofía, etc. etc. Hace bastante calor durante el día, pero las noches son muy frías. Hací un traje de noche, manta, pero todos los días llevaba ropa de turista que se ponían veladas y se iban a dormir de los fríos - cosa completamente normal, luego.

1. LITAMIL-9 seems to be trapped inside PBRUMEN. On 18 Au Case Officer met with LITAMIL-17 (L-9's brother) to review two from L-9. One of these, dated 15 July and mailed at Gander, (presumably by an airline crew member), used the term "de lo mas b is an indicator meaning "I expect to leave within a year." In letter L-9 reports that he has been promoted to "Secretario de

2. L-9 asked for a large quantity of art supplies and is doing a lot of painting since he has not yet gone back to work. the quantity of material requested indicates that he expects to remain inside for some time.

3. The C/O asked L-17 to phone L-9, ostensibly to request fu on how to ship the art supplies. In the course of the conversation -17 was to ask L-9 how long he expected to remain in PBRUMEN. L-17 reported a 28 August that he had spoken with L-9. L-9 said he did not expect to leave "a long time."

4. With the recent defections of AMWASP-1 and a Europe it may be difficult for L-9 to obtain a foreign post. It is likely that he could seriously be considered politically reliable by Government. With the return of his mother and sister from Spain he longer has an excuse to request permission to visit Madrid. The only bright spot on the horizon is his sister-in-law's close relationship to AMTHUG. -17 feels that it is to her advantage to have L-9 abroad so L-9 can send her goods which are unobtainable in PBRUMEN.

5. At present the Station has no reason to believe L-9 will leave PBRUMEN any time soon.

1. LITAMIL-9 remains in PBRUMEN. On 19 June 1965 the C/O met with L-9's brother who reported he had talked with L-9 by telephone about 1 June. At that time L-9 was in good health and spirits and key words in his conversation indicated that he had not been bothered in any way by the PBRUMEN Security Service since his return. L-9 said that he expected to "have a day or about 3 months at which time he would probably be given a new assignment. He did not reveal whether he expected this to be a foreign assignment.

2. A PRQ Part II on L-9's brother was recently submitted with a request for Operational Approval. As noted therein, it is contemplated that he will be used only as a channel for communications to/from L-9.

3. Any new developments in this operation will be reported promptly.

In the interim, between September and January, CR's for the following meetings were placed in Station files: 10 September 64, 21 September 64, 1 October 64, 4 October 64, 23 October 64, 29 October 64, 5 November 64, and 16 November 64.</p>

<p>3. It is realized that an operational progress report and a contact report are two different items; however, in view of the detailed nature of the LITAMIL-9 CR's the Station has felt that their submission has satisfied the requirements of operational reporting. The criticism of reference is all the more puzzling since such visitors to the Station as Chester D. Dainold, Chief, WHD; Mortan A. Woolley, erstwhile Chief of Operations, WHD; and Thomas W. Lund, present Mexico Branch Chief, have all expressed their approval of the detailed operational reporting on this operation during visits they have made to the Station at which time the reports in question have been brought to their attention.</p>		
<p>4. When LITAMIL-9 next exits PERUME, the Station will begin to prepare formal operational progress reports on the operation.</p>		
<p>5. As for the questions raised in paragraph 2 of reference regarding operational security, advance information on LITAMIL-9's recall came from LIENVOY but he was not informed of the imminence of his transfer until it was reported routinely by LITAMIL-9 and was generally known by his colleagues. As for the implication that LITAMIL-9 was informed of the Station's capability to intercept Embassy telephone conversations, a careful re-reading of the Memorandum under critique will show that no such acknowledgement was made. LITAMIL-9 was informed that "we have a good chance of being told about such a conversation by one of our friends," i.e. that word will probably get around in Embassy circles that LITAMIL-9 is about to travel to such-and-such a point.</p>

1. We are pleased that Barker has pre upo

to the use of a communications system.
Known reluctance for this sort of thing we
had to be quite convincing with his arguments and a
possibly had to resort to some arm-twisting.

2. Nevertheless, lacking operational progress and
therefore not knowing the full background of Barker's
we did note that in paragraph 3.ii, page 4, of the C/R
to reference, the Station tipped off LITAMIL-9 that he
probably be requested to return to Cuba. we assume the
came from the LIENVOY of LIFHAT take, and, to complete
here, would appreciate a note as to the origin of the
that LITAMIL-9 was to be transferred. We further note
paragraph 3 of the Memorandum for the Record dated 11
attached to reference, that, in essence, a further
was made to LITAMIL-9 that the Station has the to

3. While there may be a simple explanation for this
we are constrained to make known our concern that suc
revelations, however well-intentioned, obviously coul
unpleasant repercussions and are regarded under

1. Since mid-February 1963 Mexican immigration placed stamps in the passports of travellers to have which read "Arrived from Cuba" and "Left for Cuba". The stamps are placed on the page with the picture.
2. All requests for Mexican tourist visas in Cuba must be approved in Mexico before they are issued in Habana.²

Field Comments

1. Cuban visas are often issued on a separate piece and not stamped in the passport, so that the would not show that the bearer had travelled
2. This regulation was first noticed in February

Documentation for travel from Mexico to Cuba does not from that needed for travel to other Latin American. The traveller must have a passport or other travel with a valid visa. Mexican citizens within the age group must also carry a cartilla militar.

It also appears to want Cuban Government activities by not delegations. These steps, plus the photographs, and questioning by Mexican have probably curtailed travel to Cuba.

LOPEZ MATEOS DID NOT GIVE HIM A CHANCE TO SEND GREETINGS FROM THE CUBAN REVOLUTIONARY GUARD BUT RATHER INTERRUPTED HIM TO SAY TRASMITTA MIS SALUDOS A FIDEL CASTRO AND PRES. DOPTICOS. SINOBAS SAID THAT IN HIS OPINION LOPEZ HAD PREPARED THIS MESSAGE AND WAS WAITING FOR HIM. L-9 CAN'T STAND SINOBAS BECAUSE OF HIS HAUGHTY EGOTISTICAL AIR, BUT IS SATISFIED WITH HIS FLIGHT BECAUSE HE FEELS THAT SINOBAS IS TAKING HIM INTO HIS CONFIDENCE MORE AND MORE AS TIME GOES ON. Vd. nos trae un escrito en el cual desea venir a Cuba a estudiar Música, le dirímos lo siguiente:

El caso de la Escuela Nacional de Música no considera becas para extranjeros que vienen de otros países para estudiar en ese Centro.

El MINED tiene, a través de Convenios, becados de radio y televisión socialista que vienen a estudiar según planes del referido Ministerio.

Caso Vd. recordará hubo el caso de un estudiante de Ghana que vinieron por el MINED a estudiar Idiomas y solicitaron además estudiar Música. Eso se vió manteniéndolos como becados de Educación (alojamiento, ropa, manutención y enseñanza del Idioma Español) y culándolos en uno de los Conservatorios de La Habana, de asisten los días y horas en que tienen sus clases.

Esa sería la forma de tratar el asunto que Vd. nos plantea, asegurando ustedes en primer lugar con el MINED que ellos lo absorberán como becado; aunque en su caso no se puede resolver por Convenio ya que el país no procede de un país del campo socialista.

Revolucionariamente,

Dra. Carmen Pérez Ponset,
Jefe del Dpto. Nacional de
Enseñanzas Especiales.-

Excelentísimo Embajador de los E.U. Mexicanos, Sres. Miembros
del Cuerpo Diplomático

Sras y Sres.

Es para mí un honor que en ocasión como esta, represente al Consejo Nacional de Cultura en que se inaugura la exposición "Caleidoscopio Fotográfico" del artista mexicano Nacho López.

Creo sinceramente, que el gran artista Nacho López, no necesita presentación, su arte es muy conocido en Cuba a través de revistas internacionales y periódicos que con frecuencia reproducen su trabajo artístico; además no es la primera vez que tenemos el gusto de tenerlo entre nosotros así como a otros tantos mexicanos ilustres que nos han visitado desde el triunfo de la Revolución.

Aquí en esta sala encontraremos un exponente gráfico de lo que tan acertadamente nos dice en su introspectiva el artista que nos ocupa.

"El placer -en si - más no la diversión - de producir imágenes que despierten ideas y emociones en el espectador, pretendo hacerlo consciente de que el mundo no son cuatro paredes, trabajo y familia; sino que hay otras formas bellas y horribles, otros rostros que también viven, respiran y mueren, en busca de las mismas necesidades eternas: trabajo, vestido, comida y dignidad.

La exposición que nos disponemos a admirar estrecha aún más los lazos que nos une con el gran país hermano México, y no quisiera dejar de destacar en esta oportunidad, la satisfacción que nos produce cooperar con la Embajada de México que ha hecho posible la exposición que se ofrece conjuntamente con la Sociedad Cubano-Mexicana de Relaciones Culturales y el Consejo Nacional de Cultura (Delegación Provincial)

Muchas gracias,

Luis Alberú,

LITAKIL-9, who had previously reported that he

LWHARP if properly approached, refused to make any
effort to contact him. The Station suggested that
the cooperation of Subject's ex-wife, now residing
in the JEWAVE area, be enlisted and that she visit

1. Forwarded as Attachment One, herewith, is a PRQ Part II on LITAMIL-9. Forwarded as Attachment Two, under separate cover, is the Part I of the same DRO ~~as previously reported, c~~ation meets very infrequently with LITAMIL-9, who is very busy, spends most of his time outside Mexico City, and is largely out of touch with PBRUMEN and LIRING. He has, for example, only visited LIRING twice in the last six months. Contacts which LITAMIL-9 made during a recent trip to Europe with PERUMEN officials stationed in that area were unproductive. Since occasional contact is still desired, however, it is requested that a new OA be processed on LITAMIL-9 to cover his use as outlined in the Part II of the PRQ.

2. Traces were rerun on Subject through LNPURE and the Station, and no derogatory information was turned up except for that mentioned in HMMW-11988, which cannot be resolved any further than the Station's comments in MEXICO CITY-3497 of 19 February 1963.

SUBJECT : LIKEMIL-9
201-329609

1. LIKEMIL-9 returned to Mexico from Cuba in October 1966. On 8 November he was terminated and debriefed by Mexican MI-6 Station. Throughout the month of November he debated the question of whether or not he should return to Cuba. In the first week of December 1966, he decided to remain in Mexico.

2. Since it was believed that LIKEMIL-9 would have little access to LIKEMIL or to persons of interest in Mexico, he was terminated and the balance of his escrow account was paid to him on 9 December 1966. However, it has since become apparent that from time to time it would be valuable to WFACT to contact LIKEMIL-9 for information on PIRATE personalities. He is acquainted with a large number of persons who themselves are of interest to WFACT or who could supply information on third persons on whom information is needed.

3. Therefore, provisional operational approval and subsequent operational approval for such occasional contact with LIKEMIL-9 is requested. It is not planned to pay him a salary or formalize an agent relationship. LIKEMIL-9 would only be contacted when specific needs for information arise and the possibility exists that he has or could obtain the information.

A. He is acting as the general manager of the grounds to edible plant in Toluca in which he and his brother own shares. Not only is this a new firm, but t raw material and process used to make the oil are of a novelty. The plant is deeply in the red (L- to receive a salary and commutes to Toluca by bus close and time consuming attention. It's the Cubans probably view him more and more an

C. B. That Cintio VITIER is obviously not trusted by the Castro regime and may be in trouble.

C. That the Cubans are making a major effort, in line with their pro-French policy to show themselves in Paris under the best light possible.

D. That CARPENTIER obviously enjoys the of the regime. His trip to Hanoi had certainly nothing do with cultural affairs. It is regretted that L-9 did elicit further information from CARPENTIER on his visit to North Vietnam.

MEMORANDUM FOR THE RECORD
FROM

SUBJECT: LITAMIL-9 and the Latin American Writers
in Mexico

1. The undersigned reviewed the list of delegates attending the Latin American Writer's Congress with L-9 on 19 March 1967. The latter indicated he knew all the members of the Cuban delegation - Alejo CARPENTIER
- Roberto FERNANDEZ Retamar, Lizandro OTERO, Nicolas and Pablo NEREDA, a Chilean writer whom he first met some 25 years ago and saw again about 1962. L-9 stressed he did not know the Cuban delegates to the point of calling anyone of them a personal friend as his dealings with had been confined to professional contacts when he worked for the National Cultural Council. He had never been invited to their homes or invited them to his. The delegate he felt most at ease with was Alejo CARPENTIER with whom felt he had more in common than with the others.
- who has a French father and white Russian mother lived many years in France and spent some time in South America. L-9 considered him to be an intellectual of definite background and tastes. Not only is CARPENTIER well known

att #16 HMINA - 31703

copy

Jor-329 09

for his novels (L-9 recalled that his name had once mentioned in connection with the Nobel Prize for and his journalistic writing (L-9 still remembered some of the articles regularly written by him in Paris for the "El Mundo" daily in the pre Castro era), but he is also an established music critic and a connoisseur of modern painting, all in all a talented and most impressive man now in his sixties.

2. L-9 had on many occasions offered to help WOFAC in any way possible. The undersigned pointed out that now had a unique opportunity to do this with the Writer's Congress. WOFACT was interested in assessing the Cuban representatives at this Congress to determine their possible vulnerability to recruitment. It was also interested in hearing from the Cuban delegates what they thought of the Congress and it's accomplishments since it was apparent that the great majority of it's members were Communist sympathizers and would probably use the for political purposes. Any information on the in Cuba and on Cuban Government organizations, on the incorporation of the National Cultural Council the Ministry of Education would be appreciated. It also be interesting to know why Cintio VITIER who was scheduled to come to the Congress did not show up. L-9 said he was willing to help but was extremely busy with his brother's edible oil business in Toluca. It would

- difficult for him to find time to talk with the Cuban
- delegates, he felt in addition, that it would be difficult
- for him to simply walk in on the delegates if he could not
- be invited, officially, to the Congress or to a social
- affair connected with it. Finally, L-9 pointed out
- he had now been in Mexico for nearly six months, that
- "everyone" knew that he had no intention of returning
- Cuba and that, for these reasons, the Cuban delegates
- the Congress might not be anxious to talk to him.
- a long "pep" talk by the undersigned and some
- it was decided that L-9 would call the next morning on
- Ambassador Joaquin HERNANDEZ Armas who had just
- from Cuba. L-9 would pay his respects and find out if the
- Embassy planned some social function at which he could
- openly meet the Cuban delegates (he felt he might receive
- an invitation to such an affair either directly from
- Ambassador or from Heberto JORRIN, the ex-Embassy
- whom he has known for years). It was further decided
- L-9 would concentrate on CARPENTIER with whom he felt
- had the best rapport and who was in his view the
- with the most "bourgeois" background.

3. At a meeting held on 21 March L-9 related that he
had seen Ambassador HERNANDEZ earlier that morning
delegates to the Writer's Congress which had been
the last few days in Guadalajara were scheduled to
the next day). He had found the Ambassador nervous
occupied. The latter told him almost mechanically that

everything in Cuba (political and economic situation, sugar harvest, etc) was fine. He informed L-9 that he did not have the opportunity to see L-9's sister-in-law and that he had given a letter, which L-9 had asked him to deliver to her for passage to the National Cultural Council, to Marta GONZALEZ of the International Relations Bureau of the Council. L-9, in this letter, asked that his three month leave from the Cultural Council be greatly extended. The Ambassador said he ignored what reaction the Cultural people had to his letter. He explained that the Cultural Council is now part of a Bureau headed by Lisandro OTERO, in the Ministry of Education. Carlos LECHUGA Hevia, the previous head of the council has been reassigned to the Tri-Continental conference as a member of the Secretariat of that organization. He was replaced as the head of the council by FNU MUZO, ex rector of the University of Oriente. The Ambassador insisted that, in spite of this, the National Cultural Council still kept some degree of autonomy. He was rather evasive when L-9 mentioned his desire to call on the Cuban delegates to the Writer's Congress. He said that he did not think that a party would be held at the Embassy for the delegates and did not offer to put L-9 in contact with the people he wanted to see. Since he did not seem to have gotten anywhere with the Ambassador, the undersigned asked L-9 to call on the Congress

- delegates at the Del Prado Hotel where they were
- ~~The next morning~~ L-9 seemed reluctant at first, but fin
- agreed to do this if he did not have any more luck in
- contacting the Cuban delegates some other way. L-9
- posed to visit the Embassy the next day and talk to
- about the Congress. The latter might be able to place
- in contact with the Cuban visitors.

- 4. The undersigned met L-9 again on 22 March.
- stated that he had visited the Cuban Embassy early that
- day but had to wait for JORRIN who was out for about 20
- minutes. The latter was ~~too~~ busy after his return that
- L-9 had only a few minutes of conversation with him.
- JORRIN confirmed that the Embassy would not have a party
- for the Congress delegates "because of the Semana Santa,"
- and said he did not know exactly when the delegates would
- drop in the Embassy following their return from
- Upon leaving JORRIN, L-9 went to the Del Prado where he
- told that the Congress delegates would only return to
- late that day. A few blocks from the hotel L-9 ran into
- Nicolas GUILLEN who greeted him by saying "here is L-9
- his ambiente Mexicano." The two men walked together
- to the Del Prado. GUILLEN turned down L-9's invitation for
- a cup of coffee saying he had to visit someone. He did
- mention that the Congress, as far as he was
- "una basura" and told L-9 that he had flown from

ara

- to Mexico City (he did not say why) ahead of the other
- Cuban delegates who were returning by road later that
- GUILLEN told L-9 that he would be in the same
- early next day and would be glad to have coffee with him if
- L-9 could meet him then. Anyway, he added, he would be
- staying in Mexico for another two weeks at the request
- the Ambassador. They could see each other again later
- before he left. As they were about to cross a busy
- shortly before parting, L-9 took GUILLEN by the arm in a
- friendly gesture. The latter pulled away and L-9 had
- feeling that GUILLEN did not want to let L-9 be friendly
- with him.

- 5. The next meeting with L-9 was held on 24 March.
- L-9 said that he had not been able to call on the Cubans
- at the Del Frado until earlier that day. He had run
- Licandro OTERO while in the lobby. The latter told him
- was about to leave. When L-9 said "already?" OTERO
- out that he had been in Mexico for two weeks already.
- L-9 repeated the derogatory remarks made about the
- by GUILLEN. OTERO said that, on the contrary, this had
- been a successful meeting. A letter of protest had been
- sent to President Johnson and the Congress had taken a
- firm position against the "Imperialists." After
- the above, L-9 recalled that a rumor circulated in
- shortly before his departure from Cuba, to the

- Marcia LEISECA, OTERO's wife (a woman of about 34 who
- worked at the Casa de las Americas) was about to divorce
- OTERO to marry Osmani CIENFUEGOS. L-9 added that Marcia
- had relatives in Mexico whom she visited in 1962 and 1965.
- After leaving OTERO, L-9 phoned CARPENTIER and was told
- by the latter to meet him the next day.

- 6. L-9 and CARPENTIER met for breakfast on 24 March.
- When L-9 asked him for news about the National Cultural
- Council, CARPENTIER said that L-9 knew certainly more about
- that then he did as he had been in France since last November.
- CARPENTIER claimed that he had been called in by DORTICOS
- last October and told that ~~Baudilio~~ CASTILLANOS, the current
- Cuban Ambassador in Paris, had requested his nomination to
- the Paris Embassy as Minister Concellor. CARPENTIER said
- he tried to get out of this two year assignment which he
- found too long, but was told by DORTICOS that there was no
- way out of it. The Cuban Government, said DORTICOS, was
- out to make it's representation in Paris "an absolutely
- first class Embassy". DORTICOS added that CARPENTIER would
- not be so busy in Paris that he would not find time to write.
- Whether he found time to write CARPENTIER did not say.
- What he did say was that the Ambassador, who was doing a
- very good job, did an enormous amount of work and usually
- worked late at night. He also mentioned that while in
- Paris or shortly before arriving there he had gone to Hanoi

on an official mission. CARPENTIER gave no details other than to say that that horrible war was going to last, and that U.S. planes had flown right his head during his stay. L-9 did not press him for more information but gathered that CARPENTIER remained in North Vietnam two or three weeks.

7. L-9 asked why VITIER had not attended the CARPENTIER replied that VITIER was "in a special situation in Cuba" as he was not in accord with the revolution. He had been given the opportunity to go to Spain for the Cuban Government but had refused to go. VITIER statedly knew, from the background of the delegates, that the writer's Congress in Mexico would be a leftist affair. CARPENTIER guessed that he probably declined to come because of this. Talking about himself, CARPENTIER said (without details) that he would be going to Moscow in May. He announced that a film based on his novel "Los Pasos would be made this year, probably half in France and in Cuba (negotiations with the French are still going on). Finally, he mentioned that he was trying to convince Cuban Government to create a centralized publishing ment and that as Director of the Cuban National print office, before leaving Cuba, he had succeeded in gett some 70 million books printed. He mentioned,

that his publisher in Mexico is Arnaldo ORFILA, ex director of the Mexico City Fondo del Cultura Economica whom CARPENTIER said he was on his way to see to collect royalties. CARPENTIER said he would leave Mexico on 29 March via SABENA and agreed to get together with L-9 on 27 March.

1. AFTER MUCH SOUL SEARCHING AND LENGTHY TALKS WITH HIS BROTHER AND FRIENDS, LITAMIL-9 HAS DECIDED NOT RETURN CUBA.

A. L-9 FEELS HAS VERY LITTLE TIME LEFT TO PROVIDE FOR OLD AGE. HE MOST INTERESTED IN ACTIVELY PARTICIPATING IN GROWING EDIBLE OIL FROM COFFEE GROUNDS BUSINESS ESTABLISHED IN MEXICO BY BROTHER AND FRIENDS IN WHICH OWNS 8 PER CENT OF STOCK. HAS GOOD CHANCE BECOME MANAGER OF OIL FIRM IF REMAINS MEXICO.

B. L-9 BELIEVES HAS NO GUARANTEE HE COULD RETURN MEXICO IF WENT TO CUBA. JOB IN CUBA DOES NOT PROVIDE POSSIBILITY TRAVEL OUTSIDE COUNTRY.

C. LIFE IN CUBA AND RESULTING MENTAL STRAIN HAVE NOT ALLOWED L-9, A PROFESSIONAL ARTIST, TO DEVELOP HIS TALENT.

D. L-9 VERY MUCH AWARE HE GOING NOWHERE CAREER-WISE IN CUBAN CULTURAL MINISTRY. ALSO REALIZES HE PROVIDED WOFACT LITTLE INFO OF TYPE (MILITARY, POLITICAL, ECONOMIC) IT REALLY SECRET. INTERESTED IN.

A. ALTHOUGH L-9 LIVES IN CUBA WITH BROTHER AND BROTHER'S WIFE WHO WOULD LOGICALLY SEEM HAVE ACCESS TO SOME INTERESTING INFO, BOTH ARE VERY RESERVED IN WHAT THEY TELL HIM. ALTHOUGH L-9 BELIEVES HIS BROTHER IS BASICALLY ANTI COMMUNIST, LATTER HAS NEVER MADE ANY REAL ANTI REGIME COMMENT OR DISCLOSED ANY SENSITIVE INFO TO HIM. BROTHER AND SISTER-IN-LAW SELDOM DISCUSS THEIR CONTACTS IN MINISTRIES AND GENERALLY LIMIT SELVES TO NON CONTROVERSIAL TOPICS.

B. L-9 LIVED VERY LONELY AND SHELTERED LIFE IN CUBA AND HAD NO REAL FRIENDS. FEW GOOD SOCIAL CONTACTS HE HAD IN COMMIE EMBASSIES REFRAINED FROM DISCUSSING ANYTHING SENSITIVE WITH HIM. L-9 COMMENTED THAT "ALTHOUGH I CAREFULLY NEVER SAY ANYTHING AGAINST REGIME EVERYONE KNOWS I AM A BOURGEOIS INTELLECTUAL AND NOT A SYMPATHIZER."

C. L-9 SEES NO HOPE FOR HIM TO TRANSFER TO FOREIGN EXTERNAL TRADE OR OTHER TARGET MINISTRY. HE DOES NOT BELIEVE CUBAN GVT WOULD SEND HIM WITH EMBASSY ABROAD TO FILL POST

PAGE 3 MEXICO CITY 9423 S E C R E T
SIMILAR TO THAT HE OCCUPIED IN MEXICO

3. L-9 RECENTLY APPROACHED LOCAL CUBAN AMBASSADOR AND ASKED

SISTER-IN-LAW AND ASK HER INTERVENE HIS FAVOR. WILL APPLY
IN EARLY DEC AT GOBERNACION FOR PAPERS ALLOWING HIM REGAIN
AT END SIX YEARS MEXICAN RESIDENT STATUS WHICH LOST AFTER
STAY IN CUBA.

4. ALTHOUGH HE DOING UTMOST STAY IN GOOD RELATIONS WITH CUBAN GVT
AND EMBASSY IN MEXICO DOUBT L-9 WILL BE OF MUCH HELP IF, AS
HE INTENDS, HE REMAINS MEXICO. L-9 CURRENTLY SPENDS VERY LITTLE
TIME AT EMBASSY AND IN OWN WORDS ONLY KNOWS AMBASSADOR

Memorandum for the Record

9 November 1966

Subject: Meeting with LITWELL-9

PER telecon on the morning of 8 Nov 66, the undersigned met with LITWELL-9 at 2100 at the Gutenberg/Thiers' was taken to the home of Gene F. BRADDOCK, where held. The meeting lasted until 0200 on 9 Nov 66. NO SECURITY PROBLEMS NOTED.

An interesting and fantastic occurred on the night of 7 Nov. L-9 said he saw the undersigned walking by his apartment when for some unknown reason he got up to look out the window. did, in fact, walk by L-9's apartment on the night of the 7th at about E-9 was, of course, very impressed with this quirk of fate as was the in time, a city of 5 million people etc. At approximately 2245, undersigned called L-9 and a woman answered the phone. Nothing was said by undersigned and the phone was hung up. It is possible that this call, if the number was correct, had some influence on his appearance at the window. However, L-9 no mention of a woman at his place but said he had been reading and got up to look out.

PERSONAL PROBLEMS:

L-9 is very concerned about having lost permit. According to L-9, the Mexican Govt took away his because he broke Mexican laws. L-9 travelled to Cuba several times proper authorities during the last several years. L-9 always Cuban diplomat and not as a Mexican resident therefore there was no trav l. This was obviously against the rules and L-9 has to pay for to see Coty SOLERIUS re this problem and she told him to get in "La cho" AGUSTA Lagunas. AGUSTA took L-9 to Gobernacion but he was the Official Mayor, CALVEZ, fm. They talked with another official little hope. AGUSTA said he would go to see CALVEZ, himself, on the but again, he was unable to get to see CALVEZ. (Lic. Carlos CALVEZ

cmt.

L-9 went to see Amb. Joaquin HERMANDEZ Armas after AGUSTIN failed to help him and HERMANDEZ told him he would talk with Ing. Jorge TAVAYO, that TAVAYO was the man who would be able to help. L-9 is pretty shook up about this problem because he was told at Gobernacion that he would have to reapply again and therefore go through the same ~~EXCELENTE~~ red tape as before, i.e. five years, restricted travel etc. L-9, of course, has new hope with his contact with us but ~~EXCELENTE~~ HE was told that only as a last resort would the U.S. get involved in order to protect the operation.

L-9 again went into the business of his brother's request and that of his friend in the States, who is financing the fuel, for him to return to Mexico as the company's administrator. L-9 stated as he has done in the past that he is being pulled in both directions, i.e. toward Mexico by his brother etc and ~~EXCELENTE~~ toward Cuba by the U.S. Govt. He did not make it clear which of the two pressures he expects to succumb to. The undersigned did not push the issue at this meeting hoping to get into this matter at a later meeting.

L-9, just before he got out of the car, mentioned that he was in need of money and wanted to get spare parts etc to sent back to Cuba with Orlando SUAREZ, who is scheduled to leave for Habana on Monday. The undersigned said he would get L-9 some money for the next meeting.

L-9 was in good spirits, very proud of his files and anxious to please. HE described himself during the last year or so in Cuba as "un soldado en su puesto" ready to serve when the time came. He was pleased, of course, to have contact again with CDTI and indicated he was a little shook up because his brother was "all over the place" and therefore not a good contact point. He was concerned about how he was going to make contact.

L-9's post with the Consejo is: Jefe de Protocolo and Liaison officer with the Foreign embassies in Habana.

7. Manuel VEGA Perez - VEGA was named to his present post in the Consejo by Carlos LECHUGA. VEGA, although not a cultured man, has a "boy faced" character about him that gets him through. I mentioned to L-9 that VEGA was formerly S-2 in Mexico and he agreed but gave little attention to this in terms of his new role.
8. Eduardo CORONA - L-9 said that the removal of CORONA from his post was looked upon very critically by members of the dip corps. CORONA, an extremely well educated and knowledgeable type was replaced by Manuel VEGA Perez. CORONA, acc L-9, was removed from the post in order to give him more time to work on the new Constitution. CORONA is also a pro at the U. of Mexico. L-9 changed CORONA's despedida address because, acc L-9, the way CORONA had written it, it looked as though CORONA had been fired. L-9 commented thusly to CORONA.
9. Carlos LECHUGA - L-9 said LECHUGA is very happy in his job and ~~his wife~~ his wife is a different woman. She is very much at ease, apparently the marital problems have been solved etc. She is writing articles for "El Maestro". LECHUGA, acc L-9 was apparently scheduled to go to Paris but CASTELLANOS went in his stead. LECHUGA was actually studying French for the job. LECHUGA comments often on the personnel who were in Mexico and are now in the CONSEJO. ~~RECOMMEND~~ L-9, Jose Luis POSADA, Manuel VEGA, LECHUGA etc., among others.
10. Jose Luis POSADA - POSADA is in the Consejo de Cultura and will fill in for L-9 while he is away.
11. Paul ROA Garcia - ROA is away down on the totem pole of power and has enemies throughout the govt. ROA was operated on by Dr. SANTANDER, due for prostate trouble.

L-2 said he "hurried" into LIMITEE-3 on the street and L-3 has been invited to talk with him. L-2 said he is somewhat embarrassed and asked about the propriety of getting in touch with him. He was told to go ahead but to merely discuss the amenities of life and not get into ~~politic~~ discussion to which he agreed heartily.

~~1-9~~ explained how he requested "Leave without pay" etc thru. Manual
WMA but this is spelled out in docs ~~1-9~~ provided us on 9 3 November. Copies of
all these docs re 1-9's desire i.e., militia etc will be copied.

12. Carlos PRIMET - L-9 knows nothing about PRIMET but did - that when
Wilfredo LIMA, colored painter, arrived in Havana for the TRICEN, PRIMET
was at the airport and in an aside told LIMA that he should - etting
~~INTERVIEWED~~ involved with Marta PRIETO because she was anti-
regime.

13. Marta PRIMET - PRIMET, acc L-9, is known to be anti-Castro and
no bones about it.

14. Fidel CASTRO - CASTRO, acc L-9, is in trouble but his security
things under control. ~~INTERVIEWED~~ CASTRO says, CON-
chita PERALTA that he has to depend on his young scholarship
he can't trust anyone else. He is obviously turning toward sugar having
turned twoari industry etc. Graciela RISI, demonstrated a bit of
feeling when at 24 July fiesta the crowd applauded CASTRO. in
a sarcastic tone: "Aplaudiran", aplaudiran". L-9 recalls that
was operated on for rectum trouble but he does not recall when. He believes RODRIGUEZ
Diaz was the surgeon.

PERSONALITIES

- 1) Teresa PRIMERA - L-9 said that when PRIMERA left Mexico for Habana she was very unhappy and was cursing everybody. When L-9 arrived in La Habana he was told that PRIMERA had been involved in "un asunto grave" with ORLOU and that she was being held. He said the latest information, about 2 months ago, is that she is under house arrest at Santa Maria del Mar, a beach resort outside Habana. Little comment is made re PRIMERA in Habana.
- 2) Joaquin ORLOU and his wife, Edith ORLOU ie C. - ORLOU is still being held but his wife is allowed to go out on the street, accompanied by someone.
- 3) Marcia LEISECA - According to L-9, LEISECA and Lizardo OTTRO are now divorced and rumors have it that LEISECA is going to marry Osmani CIPOLLONE. LEISECA, acc L-9, is an important personality, particularly in the cultural field, i.e. at the Casa de las Americas.
4. Joaquin HERNANDEZ Armas - HERNANDEZ has been very friendly with L-9 since the arrival of the latter. HERNANDEZ acc L-9 is much more at ease now than when L-9 was here last. He is relaxed and sure of himself.
5. Pablo ALDAMA Acosta - ALDAMA was fired from MERPEY and he was very unhappy about it. He does not have a job but is on govt payroll. ALDAMA told L-9 he was "steed off" and name Luis GOMEZ B. as the man who was getting the breaks and that GOMEZ did nothing for the revolution etc.
6. Evelio CASTRO Rodriguez - Acc L-9, CASTRO's name was brought up by Augusto ARROS, a cousin of Gustavo, when he was with Conchita P. MANLES IRMA A. ARROS said it was known that CASTRO was going to "jump" and yet he was allowed to leave with his family for some unknown reason. A real enigma.

15. Gustavo ALIXS - Nothing except he arrested. Will quer re ARCOIS.
16. Mercedes MIRALLES Carrillo - SecGen of the Casa Habana.
MIRALLES acc L-9, cut him L-9 out of the Mexican picitre.
17. Gen. Fernando RAMANES - RAMANES is very close to Hilda FRANCO in more ways than one. It is the talk of the town. In fact, it is said that RAMANES was going to marry Hilda PEREZ de P. He is with here frequently and in public.
18. Celia SANCHEZ - Acc L-9, SANCHEZ plans on inviting Coty to Cuba sometime around end of year.
19. Haydee SANTAMARIA - SANTAMARIA, it is rumored, will take post at some time in the near future. At least, that's the Carlos LECHUGA's
20. Agustin GONZALEZ PIEDRA - GONZALEZ went to Spain recently with his wife, who is going blind. Acc L-9, Dr. BARTIQUE, smu, of Barcelona told PIEDRA he couldn't do a thing for his wife, and GUERRA returned. Acc GUERRA, his daughter to accompany them to Spain but the Cuban Govt permission. GUERRA is anti-CASOIC completo, but he's going to stay through it all.
21. Mariano RODRIGUEZ - RODRIGUEZ is a painter who to Rojo. THE Casa de las Americas suggested he go Spain, France etc contact with friends of Cuba but Consejo turned the suggestion down. It then given to the Foreign office and they approved the travel.
22. Xiomara SANCHEZ - SANCHEZ has been fired from MINREX and is not happy about it,

L-9 has contact with the following Embassies in Havana:

Italy - Cantero and Roqui (sic) - Very good relations ***

Francia - Lecuyer (sic)

Belgica - FIRM R A-b.

Canada - Amb/ McClean - Svoboda (not fond of Svoboda)

Hungary - Actay (sic)

Czechos -

Polish - Kuboito - Second Sec/Cultural Att.

British - Bell

Rumanian -

L-9 said his relations with Italians is excellent. He has never been invited to the Sov Embassy , in fact, it's the only one.

The Casa/Cuba-Mexico

President: Juan MARINELLO V.

SECRETARIO Secret Executiva - Mercedes MORALES C.

L-9 said the President of the Instituto in Merida was in Cuba, July 66.

22 November 1966

Memorandum for the Record

SUBJECT: Fidel CASTRO Ruz

On 9-10 November 1966, LITAMIL-9 reported the following
re Fidel CASTRO Ruz:

- a) LITAMIL-9 was not aware of any problem that CASTRO might have had during the period May-June 1966, when he failed to appear publicly. L-9 believes that he would have heard about any serious problem through "Conchita" FERNANDEZ had there been one. On this score, L-9 said that we should not pay much attention to reports that CASTRO is losing power or turning it over to the Party because, although he remains out of the limelight for a time, he bounces back bigger and more popular than ever. L-9 did recall that CASTRO was operated on by Dr. RODRIGUEZ Diaz, fmu , for a rectal problem but he believes this was in 1966.
- b) CASTRO has changed his mind about voluntary labor and now feels that those assigned to the tasks given them should get the job done without voluntary assistance. L-9 believes that Celia SANCHEZ reflected this policy when she recently told "Conchita" FERNANDEZ not to volunteer her services. L-9 believes that CASTRO has recognized his folly in the case of voluntary labor and realizes now that this merely provokes his minions into creating problems in areas where they should not be, i.e. lack of personnel in times when they needed in specific job. L-9 believes Cubans are taking advantage of voluntary labor to be missing from own assigned tasks in a form of clandestine subtle sabotage operation. It is this that CASTRO is also beginning to realize.
- c) CASTRO termination of militia courses per memo also shows a switch in attitude of CASTRO, who may also see counterproductive results of indoctrinating Cubans across the board. This happened about two months ago.
- d)

Estimado compañero:

Por medio de la presente tengo el gusto de a Ud., al efecto de exponerle que con motivo de mis vacaciones quisiere aprovechar esa oportunidad, para solicitarle se me conceda licencia para viajar a la ciudad de México por el periodo de tres meses y a partir de la primera quincena del próximo mes de Septiembre, al objeto de terminar los cuadros que se inconclusos en mi estudio de aquella ciudad, en razón de mi traslado a Cuba y de estar desempeñando funciones en el Nacional de Cultura, que con gran satisfacción para mi persona, me han sido encomendadas a los fines de mejoramiento a la Revolución.

Aprovechando el tiempo que por vacaciones me pueda corresponder, le ruego atentamente, considere dar curso a esta solicitud, no sin antes según tengo entendido, si el solicitado no cubre totalmente las vacaciones que actualmente me pueden corresponder, se tenga en cuenta un anticipo, en base de las que me correspondan en el futuro próximo.

Al mismo tiempo deseo exponerle también, que gastos relativos a mi estancia, no serían un obstáculo, dato que en México cuento con familiares directos y nacidos en aquella. Quisiera que si se accede a mi solicitud, se me indicaran los trámites usuales a realizar para poder saje de ida y vuelta en moneda nacional, así como la ción correspondiente para poder llevar unos libros que he prado, los cuales utilizaría para terminar los cuadros de referencia.

Con gracias anticipadas por la atención que a esta solicitud, me reitero de Ud., con saludos "PAZERIA O MUERTE", "VENCEREMOS",

These two books have been found unsuitable for use with system #99 ink. However, the book "Maceo", which I have retained, gives excellent results. The first two pages of the book "Maceo", which are a blank page followed by a title page, would be ideal for placement of SW.

Estimado Sr.

Estoy representando la Hutchinson Publishing, la cual está de lo más interesada en las posibilidades de publicar traducciones de obras de poesía y ficción.

Estas traducciones aparecerán regularmente bajo una denominación - posiblemente, "The Latin American Library", y con la continuación de series como la "Library" lo desea, creemos dará una coherencia a las publicaciones de Literatura Latino-americana, de la cual carece al presente.

Por el momento estoy tratando de recopilar tanta información como sea posible. Le estaré de lo más agradecido por cualquier ayuda que me pueda dar. Preferentemente desearía los nombres de destacados autores cubanos - clásicos y contemporáneos - títulos de las obras de ficción y de poesía, y una información que indique hasta qué punto pueden ser traducidas al inglés.

Doy a Ud. las gracias anticipadas por su cortesía y ayuda.

De Ud. sinceramente,
