SUBJECT: Investigation of Death of Martin Luther King, Junior.

1. Your Bureau representative in Mexico City provided our representative with composite photographs of the suspected killer of Martin Luther King, Jr. and asked for a check against visitors to the Soviet and Cuban Embassies in Mexico City during the recent months.

2. Checks for persons appearing to resemble the composite photographs were negative at both Embassies. On 30 January 1968 an unidentified white male visited the Soviet Embassy but the description did not fit either the composite photograph or the description provided by your Bureau representative. However, our representative passed copies of the photographs to your Bureau representative with the notation that he did not appear to be identical with the Bureau suspect. Our representative further stipulated that any use of the photographs in an investigation should not reveal that the photographs were made in Mexico or by this Office.

## KING- SUSPECT (TOPS 7)

MEXICO CITY (AP)-MEXICAN AUTHORITIES QUESTIONED TODAY A U.S. CITIZEN THEY SAID RESEMBLES THE MAN WANTED ON A CHARGE OF SLAYING OF DR. MARTIN LUTHER KING JR., THEN RELEASED HIM WITHOUT PRESSING ANY CHARGES.

DANIEL DAVID KENNEDY OF BALTIMORE, WHO SAID HE WAS ON A WALKING TOUR OF THE STATE OF SONORA, DENIED ANY CONNECTION WITH KING'S DEATH. AN FBI AGENT, IDENTIFIED ONLY AS MR. SMITH, SAID THERE WAS NO RESEMBLANCE BETWEEN KENNEDY AND THE SUSPECT, JAMES EARL RAY, ACCORDING TO POLICE IN THE CITY OF HERMOSILLO.

LT. ROBERTO FLETCHER OF THE JUDICIAL POLICE IN CABORCA, SONORA, HAD TAKEN KENNEDY INTO CUSTODY FROM A CABORCA HOTEL.

IN BALTIMORE, KENNEDY'S MOTHER, PEARK E. KENNEDY, USAID, "THERE IS JUST NO CONNECTION. HE DOESN'T EVEN LOOK LIKE HIM RAY."

MEXICO EN AVANT  
DU « POUVOIR NOIR »  
LE 29 AVRIL A LA MUTUALITE

Au cours d'une conférence de presse donnée hier à Paris, M. James Foreman, ancien président du Comité de coordination des combats des Noirs (C.C.C.), aujourd'hui responsable des affaires internationales du S.N.C.C., a annoncé qu'un meeting en faveur du « pouvoir noir » aurait lieu à la Mutualité, le 29 avril à 20 heures. Outre M. Foreman, qui est également « ministre des affaires étrangères » du parti des Panthères noires, NML Alain Césaire, Daniel Guérin, Jean-Paul Sartre et Vercors participeront notamment à cette réunion au cours de laquelle deux films seront projetés : *Nous*, de S. Alvarez, et *Jazz d'avenir-garde*.

Au cours de sa conférence de presse, M. Foreman a évoqué le meurtre du pasteur King, « exemple du génocide » que commet contre les Noirs américains « la société exploiteuse blanche raciste », et l'adoption par le Congrès américain du projet de loi interdisant la discrimination raciale dans le logement. Ce texte de loi contient en effet un certain nombre de clauses répressives visant, selon M. Foreman, à « liquider » les leaders noirs. M. Foreman a également lancé un appel en faveur de plusieurs membres du parti des Panthères noires emprisonnés à Oakland (Californie), à la suite d'une fusillade avec la police le 6 avril dernier, qui a fait un mort — un jeune Noir de dix-sept ans.

1. RODIGAST reports that the assassination of Dr. Martin Luther King had a dramatic and profoundly disturbing impact upon the American Negro community in Paris. The young female leader of the SNCC girls in Paris flew to the U.S. several days later in order to be "where the action is." She does not plan to return but was very impressed by her stay in Paris saying that she will try to persuade other SNCC members to avail themselves of the valuable experience to be gained from working with the various revolutionary groups in Paris. As we foresaw in Reference this has left the SNCC group in the joint hands of IDENTITIES A and C of Reference. Invitations have poured in to speak at various meetings and it appears likely that IDENTITY A of ~~the SNCC group~~ will represent some at many of these meetings. Her importance in the Black community in Paris is indicated by the prominent place accorded her in the memorial service for Dr. King. (See under separate cover attachment 1) Needless to say, this renders all the more pressing an early decision on the proposal contained in Reference.

confusion regarding Sartre's willingness to speak. He had originally accepted to speak at a culturally oriented "gala" to be held at the Theatre National Populaire and there was a question regarding his willingness to switch to this more political atmosphere. The "gala" (see earlier report, paragraph C of OEPA-918) is now being planned for some time in May.

3. IDENTITY C of Reference is reported by RODIGAST to be working with Foreman in planning for the Mutualists' meeting. She is so busy that she has temporarily left her child with her mother. IDENTITY C of Reference is also said to be working on another project—possibly involving travel—which is confidential at this point.

1. The following items from LIBIGHT/LIMUD coverage concern contacts of Subject who are believed to be of interest:

A. Attachment A: A letter from CAW, the magazine of Students for a Democratic Society, signed by Jerry \*BODANES, thanks Margaret for her poems which they are using. The magazine is scheduled to be off the press around May 10. The letter clearly indicates that the SDS was behind the student seizure of Columbia University. It says, "Right now our glorious brothers have seized Columbia University--now named Malcolm X University--and over which an N.L.F. flag now flies. The others, faculty, deans, managers, are all scurrying and speaking pious--saying SDS this, SDS that, while we hold five buildings in joyousness and the most serious preparations to resist, our movement has over reached." Enclosed is a check made out against the account of the SDS in the Chemical Bank New York Trust Company, 2681 Broadway, New York, for the amount of \$50, and signed by Robert M. \*SHAPIRO.

B. Attachment B: Letter from Heiner \*BASTIAN, 1415 Kearny St., San Francisco, California 94135, signed Heiner & Celine. BASTIAN has made arrangements with the editor-in-chief of AKZENTE to publish works of revolutionary poets, and he asks Margaret's help in collecting them. BASTIAN says that he is going to Berlin about 1 July, to Prague in early autumn for a "group 47 meeting," and to Cuba in early November.

C. Attachment C: Letter from Jaime \*CARRERO, Art Department of the Interamerican University in San German, Puerto Rico. CARRERO has apparently sent Margaret a series of drawings based on Dr. Martin Luther KING's assassination. He describes them as "poetic...but full with guts and disgust." He says there is a possibility CBS will do a program on his paintings and the work in his Art Department. CARRERO is going to Columbia University in the summer of 1968 to study and plans to distribute El Corno there.

D. Attachment D: Letter from Susan \*SHERMAN, 305 E. 6th St., No. 3, New York, N. Y. (see HMMA-33837). She tells of her plans to go to StoneyBrook on 23 April to speak about the conference for their week of protest activities. She tells Margaret that there are three people in Cuba she thinks would be interested in "The Hippie Book." They are Jose \*BELL Lara, of Calle J #556, Vedado, Habana, who is connected with Pensamiento Critico; Cuban psychologist Gustavo \*TORROELLA, Ave. 3A #22, Marianao, Habana; and Lohania \*ARUCA, 99-4722, MINREX-Direccion de Organismos Internacionales, Depto. ONU 516, La Habana.

E. Attachment E: Margaret got a letter from someone associated with CATERPILLAR. He is thinking of getting married to Marie \*BENOIT in England this summer when he goes there to work in applied philosophy. Therefore, he tells Margaret he cannot go to Cuba as planned.

2. Attachment F: An interesting development was the fact that Margaret RANDALL received a letter from Moscow from Luis \*SUARDIAZ, whose return address was given as the Cuban Embassy, Moscow, URSS. SUARDIAZ asks for Suzan SHERMAN (see paragraph 1D above). SUARDIAZ says he will be working as Cultural Counselor in the Cuban Embassy and hopes Margaret will keep in touch with him and send him things of interest (in a literary line).

3. In attachment G, Sergio MONDRAGON, Subject's husband, indicates that Margaret RANDALL is planning to travel to Venezuela from 15 to 30 June. It is suggested that Headquarters may wish to send Venezuela some background information on Margaret with suggestions for action by the Venezuela Station.

4. Attachments II and I concern a book which Margaret is hoping to write on Fidel CASTRO. According to Sergio's letter of April 18, she is planning to go to Cuba in October with a tape recorder, and then, based on these tapes, will write her book. Sergio suggests Doubleday as a publisher; however, on 25 April 1968 Paula McGuire of Pantheon Books (attachment I) wrote Margaret saying that publisher might be interested. It is suggested that WOLIME may have contacts in these two publishing houses.

Dear Margaret Randall,

Thank you very much for

and over which an N.L.F. flag now  
flies — The others, faculty, Deans, Managers,

Dear Margaret,

I would like to thank you for your letter and the two issues of "el caro". The reason for my late answer is simply that I waited for the definite decision of the editor in chief of AKZENTZ about our project. His answer is a total agreement!

I am very pleased about that and I hope that you are too. I would suggest that you collect about 10 - 15 revolutionary poets. You should write an introduction or whatever you like. I also suggest that you and not Sergio should collect as many, or less "other" poets. If you don't want to do that, please arrange something with Sergio. It makes things much easier for me (mailings, translations, proofs, etc.)

I need all the material in about 5 - 6 weeks. If this date will put pressure on you, let me know.

We are going in about 10 weeks to Berlin, in early autumn to Prague (group 47 meeting) and will go to Cuba early November. At this time we should be able to visit you.

MAO TSE-TUNG: In the last analysis, all the truths of Marxism can be summed up in one sentence: "To rebel is justified.... According to this principle, stand up and resist, struggle, build socialism."

Dear Meg:

I've received the group of Corno's #24 and 25, 26. I've also sent a series of drawings based on Dr. Martin Luther King's assassination. They're poetic as usual but full with guts and disgust. The US will get no where with this killing of the best of their sons. Your work is getting there-here- where it is needed, so keep up the excellent job you are doing- since I know that you are working under a tremendous pressure. Very soon I'll send some money. Again I want ten Corno's 24- if you have any left. These drawings are getting a lot of attention especially in our younger generation which where it counts. There is a possibility of CBS doing a program of what I am doing in painting and in our Art Department- if it comes through I'll put a word or two about el Corno. This is to happen -if- you know- in the fall. I'm going to New York during Am June- 'till August-and I'll be studying at Columbia. I'll take with me some cornos to distribute. If you want to give any messages or anything that I can do in New York while there-please-let me know. Bueno, Meg- como siempre-la familia receives my best regards and you my sincere love and efforts.

(#6?)

Dear Meg,

Just a note--I'm going this afternoon to StonyBrook to speak about the conference for their week of protest activities. I finally got most of my things & I have a packet of poetry that I'm sure was meant for you--it was the poems Tania meant for you--it must have gotten mixed up in my things. In any case I'm sending them in a separate envelop Air-Mail.

The Hippie Book is really great looking, thank you for it. There are two people in Cuba I think would be very interested in it if you could send them copies. One works on Pensamiento Critico-- Jose Bell Lara, Calle J #556, Vedado, Habana--he particularly wanted information about the Hippies. The other is a Cuban psychologist Gustavo Torroella, Ave 3A #22, Marianao, Habana, who was also extremely interested in anything concerning hippies. Also Lohania Aruca, 99-4722, MINREX-Direccion de Organismos Internacionales, Depto. UNO ONU 516, La Habana.

It seems now as if I also have a small ulcer which showed up on last weeks X-rays. But I'm feeling much, much better now. Just have to try not to get too excited and sat right for awhile. It should go away if I'm good. (but then I dont give myself aggravation so its only partly up to me). That was what was probably causing all the trouble in Cuba. Anyway, I'm much better now. I really have to learn not to take everything so much to heart--but that's a long lesson.

I'm going to try to get the issues in shape the next few days. will give blow by blow descriptions. so you'll probably be hearing from me quite often. Its lousy cold here again, I think Spring took a look at New York and decided to go elsewhere!

Love, & more,

Susan

dear Meg,

I am sorry to have put the Japanese filmmaker on you; my misjudgement. You were right to send the thing back to me.

Some changes in my life have recently re-determined the summer, and I am doubtful tonight, really doubtful for the first time (tho I have been thinking about this for a couple of weeks, but have not written because Everything was up in the air), about the trip this summer. The thing is that a more important thing has come up, namely going to England this fall to do some very important work in an applied philosophy called Scientology (to go "clear" as they call it), and doing that I must teach all summer to make money and also to do work on the fall issue of CATERPILLAR. Marie Benoit and I are seriously considering getting married in England, and while I could put the trip off until next spring, she wants to do the thing this fall, and we both want to go clear together. So, considering all of this, I think you should scratch my name, and hope I can go to Cuba later as well as hope the Cubans will see fit to invite me later (I have heard nothing from any Cubans about the trip this summer, so I figured it is not completely set).

All of the other names I sent you are still to my knowledge good. If I hear otherwise I will write you immediately. CATERPILLAR 3/4 is out, and 3 copies are on their way to you. I will mail a box of #2 and more 3/4s when I get the time. Sorry not to hv sent more, but only 3 went out to the contributors this time and I forgot about you sending some to Cuba when I mailed yours.

Saw Sergio a few weeks ago. It was nice to see him. We had supper in Chinatown and I gave him a new poem.

A number of people have commented on your prose/poem in #3/4. Very impressive is the general word. I hope it looks good to you when you see the magazine.

I have a great deal new work; are you open to printing more of my poetry in a forthcoming EL CORNO?

I hope you are not upset my change in plans. This Sunday is the first day they have been definite. Hoping your life goes well these days,

affectionately,

*Cm*

querida meg:

acaban de llegarme como seis cartas tuyas juntas, con fotos, cartas de los chics, noticias, etc. -gracias. lástima del pelo de saris. esa es una de las razones -la única razón- por lo cual no me gusta que los chics pasen la noche en tlalpan, por la insalubridad. estoy seguro que los piojos los toman allá muchas veces. en fin, qué mala noticia lo del coche. meg, no te parece que tus amigos -por lo menos dos amigos- están tomando ventajas de tí? primero fue rodolfo, quien desaparece con la grabadora. ya la devolvió? y ahora otro amigo te choca el coche y no te lo paga. dices que te va a costar más de mil pesos. te parece justo? a mí no.

gracias por los ocho dólares de mi nota. cobraste mis 700 pesos de educación? estuve en nueva york para las vacaciones de pascua. me quedé con leandro y evi. fui también a montreal y visité a los bowering. recordamos muchas cosas, hablamos horas acerca de tiempos felices, cuando tú y yo éramos una pareja llena de amor. allí estaba maxwell leonel kearns y otro poeta canadiense que hemos publicado y no recuerdo su nombre. dicen que tal vez vengan pronto a méxico. en n.y. vi a los petersen. me trataron muy bien. te mandan muchos saludos y es casi seguro que vengan a méxico en el verano. yo les invitó a quedarse en la casa, ya sea que tú estés allí o en venezuela. siendo tan amigos tuyos creo que está bien. pero ellos alquilarán un apartamento, por lo menos la mayor parte del tiempo. vi también a sara blackburn, mujer maravillosa con quien hice mucha amistad. le entusiasmó la idea de tu libro sobre castro que vas a hacer en octubre con la grabadora, y me dijo que ella podría proponer ese mismo libro a una editorial grande como Doubleday o otra igual. me parece que te va a escribir. sabes que ella tiene mucha influencia en el mundo literario de las grandes compañías editoriales. quiero pedirte un favor para ella: envíale el libro de o. paz "corriente alterna" a su domicilio, 50 W. 8<sup>th</sup> st., n.y.c., 10011. cuesta como 12.00 pesos. es urgente. gracias. vi también a clayton ashelman, me invitó a correr. está muy bien, mejor que nunca y muy amistoso. conocí también a su mujer, que me pareció una mujer muy triste, aunque buena. evi y leandro están bien. todos en n.y. te quieren mucho y te admirar y admirar al corno. la revista se agota en tres días en 8<sup>th</sup> st. bookshop. andrei codrescu me dijo que debes enviar más ejemplares. tienen en la tienda un aviso de tu libro, anunciado entre las "novedades".

felicidades por tu antología de poesía revolucionaria y por el manuscrito que te piden en londres. parece que una compañía grande de aquí quiere que les haga una antología de poesía hisp. -vamos a ver. qué sucedió con mi libro en el fondo? la universidad parece que no va a publicar mi libro. mala suerte la de ese aprendiz de brujo. ángela y george están muy bien. parece que se aman mucho. angela y todos, sara, clayton, etc., cuando ~~sabían~~ que vas a cuba en octubre, dijeron inmediatamente que tal vez vas a ser mrs. fidel castro, o al menos su amante. sara dijo que se moría de envidia. han salido más cosas del corno en los periódicos? envíame algunos recortes. bueno, ama a los chics y cuídalo. te mandé una carta hablándote de los poemas de marco antonio. también envíé ya su manuscrito de regreso, y me quedé con unos poemas tuyos. escríbeme. dime si crees que los niños están resintiendo mucho la separación, y en qué forma. abrazos y abrazos. Dear Miss Randell:

My former colleague Sara Blackburn (who sends her love) has told me that she recently heard through your husband about your plans for a trip to Cuba in order to write a book on Castro. I should be very interested to know more about your plans with a view towards the possibility of publishing your book and hope you'll be able to write me.

Incidentally, we are about to publish Jose Iglesias's In the Fist of the Revolution: Life in a Cuban Country Town. I thought you'd be interested to read it and have sent you a copy under separate cover.

Yours sincerely,

Stockely CARMICHAEL

Nous objectif 1er :

# Nous attaquer aux structures capitalistes des U.S.A.

Dans son numéro du Premier Mai, l'« Humanité Nouvelle », organe central du Parti Communiste Marxiste-Léniniste de France a publié une interview de Stockely Carmichael, leader du « Black Power » (Pouvoir Noir). Cette interview a été réalisée par un camarade africain lors du récent séjour de Carmichael à Paris.

Le Black Power est un mouvement de masse d'Afro-américains. Certaines de ces positions peuvent ne pas toujours coïncider avec celles des marxistes-léninistes mais il est évident que le combat du Black Power est héroïque, courageusement anti-raciste, anti-impérialiste.

C'est cela qui est important. C'est pour cette raison que nous reproduisons ce remarquable document.

La grande vague de combativité qui déferle sur les grandes villes américaines, surtout, en un combat acharné, les larges masses Afro-américaines contre les forces réactionnaires, les victimes racisées et l'ordre capitaliste étatique, c'est déjà à l'arrière-plan de la citadelle impérialiste Amérique, l'amorce de la lutte mondiale. Elle connaît, par ailleurs, la faille du mythe intégrationniste favorisé par la bourgeoisie mondiale.

**STOCKELY CARMICHAEL** — L'aspect principal de la situation du peuple afro-américain est celui d'une nouvelle forme de colonialisme intérieur. Il s'agit d'une situation presque originale qui implique que notre lutte se fixe deux objectifs principaux :

— Objectif numéro 1 : éliminer l'oppression coloniale qui nous visé en tant que Noirs sur le triple plan économique, social et politique.

— Objectif numéro 2 : nous attaquer aux structures capitalistes et impérialistes des U.S.A.

Il est évident que l'objectif n°1 sera assidilement poursuivi par les souls afro-américains. Quant à l'objectif n°2, il concernera tous les révolutionnaires progressistes. C'est une cause commune.

Mais l'impérialisme à l'intérieur qui nous violente de l'opposition ne connaît pas la force de la violence révolutionnaire du capitalisme américain. Il consiste en cela, un bien important dans la lutte des peuples - et également du peuple afro-américain qui a pris conscience que seule la violence révolutionnaire peut véritablement briser le cycle sanglant de la violence contre-révolutionnaire.

Mais l'impérialisme, aux abois, tente dans un ultime effort, de jeter le discrédit sur la juste lutte du peuple afro-américain, en assimilant grossièrement à une « coalition d'escadilles et de brigandages », en présentant ses leaders comme des « psychopathes, qui hurlent publiquement au meurtre » (New York Times 12-1-68). Mais la matavie des capitalistes, elle aussi, a deux boute. On est donc forcés de reconnaître, en une rage d'impudique certes, « qu'aujourd'hui, la voix d'en Stokely Carmichael est entendue de plus en plus nettement dans le pays » (L'Economist du 31-1, Londres).

Que dit cette voix. De quelle lutte s'agit-il ? D'une simple lutte entre deux races ou de quelque chose d'autrement important ? Pourquoi les marxistes-léninistes et tous les progressistes doivent-ils la soutenir et la faire connaître ?

Des réponses apparaîtront dans le cours de l'exposé que Stokely Carmichael nous a fait récemment et que nous rendons publique pour la première fois. Des réponses parfaitement

#### — le problème de l'exploitation.

J'ai indiqué plus haut que l'objectif n°2 était une œuvre d'ensemble ; simplement parce qu'il visait à résoudre un problème qui n'est pas particulier aux Noirs : le problème de l'exploitation de l'homme par l'homme. Il n'est pas nécessairement lié à la couleur de la peau.

Quant au problème du racisme, on peut dire qu'il est spécifique à l'homme noir. On peut même poser l'égalité : Noir = Proletariat du monde. A cause de sa seule po-

L'Occident Blanc ne peut pas nier s'être d'abord fondé sur la sueur du Noir. Prenez les Antilles françaises, hollandaises, anglaises. La même chose. Prenez les Etats-Unis des siècles derniers. Prenez les Etats-Unis d'aujourd'hui. Prenez l'Afrique. L'histoire est éloquente à ce sujet.

Les Blancs de l'Occident trouvent leur justification d'occidental dans la négation du Noir en tant que Noir. Ils ont donné au Noir un être sub-humain pour rationaliser l'exploitation du Noir. Pour ne pas s'humilier en tant qu'hommes.

Oui, bien sûr, il y a le « Code Noir » de Colbert. Mais tout de même, cette exploitation du Noir ne peut pas être simplement un fait de psychologie appliquée, car en fait, le racisme apparaît bien comme une manifestation de la lutte des classes. Il n'y a qu'à reprendre les exemples.

STOKELY. — D'abord, il y a un problème immédiat : celui de la prise de conscience de la victime en face du bourreau. C'est en tant que Noirs que nous entendons nous battre.

Il reste qu'aux Etats-Unis, un Noir « bien placé » sur le plan économique n'échappe pas au racisme.

Il n'est que de lire la presse américaine pour s'en convaincre. Le problème du racisme ici n'est pas nécessairement lié au problème de l'exploitation.

Le racisme fait partie de l'arsenal idéologique et pratique de l'impérialisme américain. Les Noirs sont d'autant plus exposés que les Blancs occidentaux ont détruit les cultures africaines de l'homme noir, les Noirs, dans le monde, parlent la langue de leurs maîtres.

Or la culture comme dit Fanon, c'est une « force cohésive ». Il leur faut donc aussi résister à cette culture d'imposition (le plégin, le petit-nègre ?).

Dans le cadre des Afro-américains cela transparaît sous la forme du christianisme. Le christianisme est une culture d'imposition, c'est-à-dire essentiellement une culture impérialiste, parce que liée à l'idée de la valeur universelle du maître. Vous devez en savoir quelque chose en Afrique, avec le cortège de conversions forcées.

En fait, la libération culturelle est une chose très importante. Elle doit viser à répétier le système d'éducation du maître (on fait quoi après fini de l'imposition culturelle), l'éducation capitaliste vice à

#### De quel ordre est-ce là ?

— Elle est nécessairement politique.

— L'une des limites objectives des dirigeants qui nous ont précédés est la suivante : il ont fait appel aux oppresseurs et non aux opprimés. Nous, nous faisons appel aux opprimés. Nous leur disons :

« Si vous voulez être libres, il faut vous battre ! » Le président Mao Tsé-toung indique avec raison que « le pouvoir est au bout du fusil ». C'est juste. Nous opposerons nos fusils libérateurs aux fusils racistes de l'impérialisme américain, dans ses propres villes.

Nous le forcerons à se battre comme nous l'enverrons. Comme font nos camarades vietnamiens. S'il veut utiliser du napalm et des roquettes sur ces propres villes, nous n'y voyons pas d'inconvénients, mais nous nous battons, c'est une chose entendue.

— Voici un rapport entre votre lutte et celles des camarades vietnamiens, et des autres peuples en lutte contre l'impérialisme, U.S. en tête ?

Bien évidemment, chaque fois que les bases de l'impérialisme sont minées à l'extérieur, notre lutte s'en trouve proportionnellement avantageuse.

Nous voudrions bien par exemple qu'il se trouve un seul pays africain qui se développe par ses propres efforts, et non en allant mendier chez les Blancs occidentaux.

Nous en aurions fait, pour la mobilisation de nos masses fondamentales un modèle psychologique et méthodique à la fois. Mais on ne peut pas dire qu'il y ait un seul pays révolutionnaire en Afrique à l'heure actuelle. C'est d'ailleurs pour cela que l'O.U.A. est paralysée. Aujourd'hui, si des Noirs américains avaient à s'exiler en Afrique, pas un seul pays africain ne les accepterait pour la bonne raison que tous ces pays sont soumis au joug de l'impérialisme américain.

Toutes les politiques bourgeoisies contre-révolutionnaires au pouvoir en Afrique sont inféodées à Johnson, et exploitent leur propres frères de couleur.

— Quelle est votre tâche principale en ce moment. Celle qui requiert actuellement la priorité ?

D'abord, éliminer nos ennemis, c'est-à-dire tous les mouvements contre-révolutionnaires voulant s'intégrer à la société capitaliste blanche.

Ensuite, organiser notre peuple pour qu'il acquière le mordant offensif, condition sine qua non pour briser le statut quo d'aujourd'hui.

Car c'est bien cela que signifie la lutte défensive des Luther King et autres.

Pour vaincre, il s'agit d'attaquer. C'est un programme minimum.

camarades ; mais elles expriment toutes une foi inférmeable en la victoire finale. D'autres naîtront du développement de cette lutte qui n'en avait qu'à ses débuts. Nous avons tenu à les présenter comme elles sont venues au cours de la conversation.

Statedy parle en responsables, bien d'extravagant, en fait, contractuellement à ce que suggère une certaine presse. Moi, très simple, j'aurais eu le temps de me pelquer : nous avons surpris au bout du fil la vérité, nous avons passé la soirée en entier. Nous sommes, en tout, cinq camarades ; nous parlons très librement. Une camarade afro-américaine - vivant à Paris - assure la régularité de la traduction. Les entretiens dureront quatre heures.

rétablir et à perpetuer la société capitaliste.

-- Pratiquement, comment tout cela peut-il s'agencer ?

En organisant les Noirs. Historiquement, nous venons tous d'Afrique. En nous dispersant dans leur monde, les Blancs occidentaux nous ont appris, par la négative certes, mais nous ont appris quand même à apprécier l'unité. Nous savons aujourd'hui, que l'unité, c'est la puissance. C'est pour réaliser cet impératif d'unité que nous avons arrêté, dans un premier temps, de nous réaliser culturellement, en rejetant le christianisme (culture d'imposition, liée à l'idée de supériorité de la culture des Blancs occidentaux).

-- Le problème à résoudre est celui de créer des révolutionnaires noirs. Pour nous, cela signifie 3 objectifs :

1. Adoption d'une langue nationale africaine : le swahili, par exemple.
2. Destruction du christianisme.
3. Redécouvrir l'Afrique, mais d'une manière scientifique, pour y puiser nos propres héros, au lieu d'assumer les héros blancs occidentaux.

En somme, recréer notre culture pour en faire une force de cohésion.

Dégager une idéologie politique commune. A cet égard l'expérience de la Révolution chinoise est riche d'exemples mobilisateurs.

Notre tâche à nous est de lutter pour acquérir une idéologie correcte, capable d'unifier tous les Noirs.

La chose fondamentale à retenir, c'est de contribuer à développer la conscience qui doit amener l'Américain noir à résister. Cette conscience est nécessaire.

Dernière, les perspectives sont autres : Memphis à Genève que la non-violence de l'opposition ne saurait préserver de la violence, caractère du capitalisme américain. Il convient en cela, un jalon important dans la lutte des peuples - et singulièrement du peuple afro-américain qui a pris conscience que seule la violence révolutionnaire peut véritablement briser le cycle sanglant de la violence contre-révolutionnaire.

Mais l'imperialisme, aux abois, tente dans un ultime effort, de se tirer de l'affaire sur la goutte fatale du peuple afro-américain, en demandant grossièrement à nos « camarades d'Amérique et de l'Europe», en présentant ses leaders comme des « psychopathes, qui hurlent publiquement au meurtre» (New York Times 12-1-68). Mais la mauvaise foi des capitalistes, elle rame, à den Brulle. On est donc forcés de reconnaître, en une rage d'imperialisme perdu, « qu'aujourd'hui, la voix d'un Stokely Carmichael est entendue de plus en plus nettement dans ce pays » (L'Economist du 11-1- Londres).

## MEMORANDUM

SUBJECT: Jamaican Special Branch Report -  
Jamaica/United States Black Power Ties

1. Pertinent items from the Jamaican Special Branch monthly report for April 1968, which contains several references to ties between Black Power groups in Jamaica and the United States, are provided, in full, below. A summary of the report, omitting portions concerning the United States or United States citizens, has been disseminated in CS-311/06459-68, a copy of which is attached.

2. The items of possible interest, omitted from the dissemination, are noted below:

a. During April 1968, four meetings of the Wilson faction of the Nation of Islam (NOI) were held. On 13 April, Percy Hayles, the boxer, said that he was impressed with the doctrine and had written to Elijah Mohammed asking for a scholarship to enable him to study in one of the Islam Universities in the United States. Errol Levy said that only a revolution could end the white man's practice of robbing the black people of everything.

b. At the meeting on 24 April, Cecil (Prince Buster) Campbell stated that the premises on 47 Charles Street in Kingston belonged to him and he was willing for it to be used for the assistance of the black race. He called for unity among black people and said that his organization was fighting to rule Jamaica. He told members that they should be prepared to meet the Reverend Sherriffie (aka Thomas View) who would soon be visiting the Island.

c. On the 5th and 8th of April, discussions were held led by George Vassel, leader of the Young Socialist

✓ League and a member of the Jamaican (Caribbean) Workers Movement, on the possibility of holding demonstrations at the American Embassy in Kingston to protest against the assassination of Dr. Martin Luther King. Vassel claimed that there was a United States citizen hiding in Jamaica to escape the draft who had in his possession recordings of speeches made by the late Malcolm X during 1964. One of these was entitled "The Ballot or Bullets". He stated that King's death disproved his theory of non-violence and was bringing into prominence men like Stokely Carmichael and H. Rap Brown.

d. During April, about 40 persons including Winston Monroe, Joseph Christie, Roy Jeffrey, Leonard Solomon and one Ny Survad, who is the American draft escapee referred to in Paragraph c. above, met at 23 Fourth Street, Trench Town (Dallas Corner), where Survad, identified as a Black Muslim and a member of the Black Power Movement (BPM), answered questions put to him by the gathering. It was understood that Survad was in Jamaica to solicit support for the BPM in the United States as well as to establish a branch here. The record "The Ballot or Bullets" was played by Survad and recorded by Monroe.

e. Survad accepted George Nyers' invitation to attend a get-together which he was arranging in Savanna-la-Mar on 11 May, and to spend a week or two with him there. They discussed the Congress of Racial Equality (CORE) and the BPM, and it was suggested that a local Steering Committee should be appointed to consider the formation of a group in Jamaica.

f. (Jamaica Service Comment: Survad has subsequently been identified as John Davis, aka Selvyn Grey, a member of CORE and the Black Muslims. He is in touch with Rastafarians at Kintyre, and the leaders of the Viking and Spade Gangs. He is expecting to meet one Corporal James, aka "Jimmy" of the Jamaica Defence Force, who is said to have complained that he was deprived of promotion because of his views. Arrangements were also being made for him to meet Walter Rodney of the University of the West Indies. Survad has stated

-3-

that if given the chance he would, within eighteen months, stage a demonstration. He has suggested that if his colleagues can supply marijuana and find a way to export it, he could guarantee an outlet in the United States and the money thus obtained could be used to finance the local Movement. Survad was being supported by his girlfriend, Bernadine Houston, who was expected to arrive from the United States towards the end of the ensuing month. He is now in straitened circumstances.)

Dear Mrs. King:

While on this East European Church  
minis study tour, I visited a little town  
in East Germany, called Hermsdorf.

The Moravian Church (oldest in  
Hermsdorf) officials, hosted our group  
during our visit there. I saw your  
husband's books on sale in their  
one good Bookstore.

A young man who is Head of the  
youth work in Hermsdorf, informed us  
that they are setting up a room  
in the Youth Center, in memory of  
Dr. King! He wanted your address  
so that he could write and let you  
know what they were doing and  
the respect they have for Dr. King's  
Memory. I gave him your address, so  
I am writing to let you know that,  
if you haven't heard from him

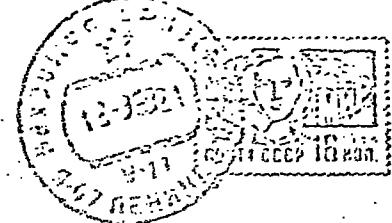

I expect you will be receiving com-  
munications from, Dietrich Neiss,  
89 Gorlitz D. D. R., Bautzener Str. 38,  
and you will be aware of what is  
happening in this small Eastern  
Germany Town, a population of only  
2,000.

Respectfully,

Dear Mrs. King,

Three weeks ago I got the book you so kindly sent me and immediately answered you. Only today - two months and a half, - came your letter with a reprint of "Playboy" article. In case my first letter will not reach you, permit me to repeat - it was an honor, a joy indeed somehow - a new responsibility - to get a letter from you.

I am in correspondence w/ Martin Luther King Memorial Library, have seen there a copy of a very popular magazine for children "The Pioneer" where last year I published a little essay on the late Martin Luther King. Now I completed a

93-158

new work - Gaudhi and Martin Luther King  
- but I lack material - Dr King's article  
in "Ebony" - my trip to the Land of  
Gaudhi. It would be of course expensive  
but it is better get some articles on  
the very price, - how it was...

My long essay outta "learnting  
Luther King's road to the Cross" is  
still at the publishers. I hope it will  
be published at last and it will  
have the possibility to send it to  
you. If somebody in your country  
will place an international subscription  
of the thought and meaning of  
Martin Luther King, please let me know it  
would be my deepest wish to contribute;  
I hope you will not consider this  
wish impudent, - it is very serious, though,  
of course. I could not be the judge  
of my own work.

- Thank you again, dear Mrs King,  
for your letter.

Yours very sincerely  
Raissa Orlova
